

Un'icona del mondo dei motori

Il pickup è una vera icona della storia del motorismo. Con il suo portellone posteriore apribile consente di caricare e trasportare le merci velocemente e per questo motivo ha riscosso un enorme successo negli ultimi decenni. Questo particolare modello LEGO® è ispirato ai pickup vintage degli anni '50 e include i prodotti di una tipica piccola fattoria locale.

Pierre Normandin
LEGO® Designer

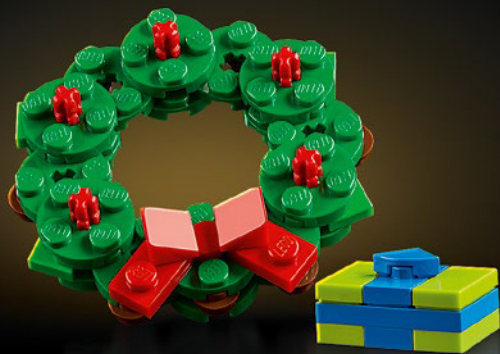

Il Design Team

Il LEGO® Design Team ha dedicato tante ore allo studio dei famosi pickup vintage, cercando di catturare l'inconfondibile forma e caratteristiche di questo tipo di veicolo. *"La forma arrotondata è stata una sfida particolare da ricreare con gli elementi LEGO, mentre il modello doveva includere anche un pianale stepside, un portellone e sponde laterali in legno rimovibili per renderlo il più autentico possibile".*

Le quattro stagioni

Il pickup in questo set appartiene a una fattoria, quindi gli accessori rappresentano i prodotti che potresti trovare in un mercato di paese in tutte e quattro le stagioni. Per la primavera, ci sono una carriola con fiori e un annaffiatoio. Per l'estate ci sono 2 ceste di legno con pomodori e carote e un contenitore del latte. Per l'autunno c'è una cassetta con piccole zucche e un cartello. E per l'inverno, c'è una ghirlanda e un regalo incartato.
